PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE:

ORDER NOP D. 7301-3-DEV. 79-48-2

DATED, BANGALORE, THE 11TH APRIL 1949

1. Consequent on the loan of the services of Sri: K.V. Ganapati Iyer, Director, Sandalwood Oil Factories in Mysore, for appointment as Director, Indian Institute of Science, Bangalore, the Industrial Concerns in his charge, viz., Sandalwood Oil Factories, Dichromate Factory, as also the chairmanship of the Mysore Chemicals and Fertilizers and Kirloskars of Harihar, have been entrusted to Sri P.R. Balakrishnan, Director and Vice-Chairman, Mysore Iron and Steel Works, Bhadravati, in addition to his existing charge. He is, besides, the Chairman of the Mysore Paper Mills and of the Shimoga Sugar Factory Provisional Board of Directors. He is also dealing with a number of important proposals, such as the various development schemes of the Mysore Iron and Steel Works, including Electric Pig Iron Furnaces and the Cement Plant and the Fertilizer Scheme, Caustic Soda, Rayon, Etc;

2. Sri Balakrishnanx has repeatedly been representing to Government that the combined charges he is holding at present are too heavy for a single officer to manage and has suggested that he may be given relief by the appointment of another wholetime officer to do the work of Director, Mysore Iron and Steel Works, including the work connected with the Iron and Steel Control operations, while he may be continued as Vice-Chairman only of the Board of Management. It is suggested that the designation may be "Vice-chairman, Mysore Iron and Steel Works and Director, Metallurgical and Chemical Industries in Mysore."

3. Government are pleased to approve of the proposal for the creation of the post of a wholetime Director of the Mysore Iron & Steel Works, Bhadravati, apart from the Vice-chairman of the Board of Management, who will thereafter cease to be the Director.

4. Orders will issue separately regarding the posting of an officer as Director of the Mysore Iron & Steel Works, Bhadravati.
